REPORT OF
THE MUNICIPAL COURT.

FEBRUARY 1, 1907, to FEBRUARY 1, 1908

OFFICERS OF THE
MUNICIPAL COURT FOR 1907-8

Justice,
ALBERT S. BATCHELLOR.

Special Justice,
HARRY M. MORSE.

Clerk,
WILLIAM H. MITCHELL.

Deputy Sheriff,
ALBERT E. STRAIN.

Probation Officer,
Under the Juvenile Court Act,
HERBERT D. STEVENS.

Chief of Police,
HARRY H. COREY.

Prosecuting Liquor Agent,
FRED A. WATSON.

COMMENTS.

In examining the statistics of criminal offenses which come before this Court, the fact should not be overlooked that our population is probably at the present time more than forty-five hundred. If we do not take into account the prosecutions for drunkenness, it appears that those brought before the Court in the year ending February 1, 1906, were 23. Those for the year ending February 1, 1907, were 19, and those for the present year 17. These are almost without exception offenses of a minor grade. Although this class of statistics is not infallible, still the tendency towards better social conditions and conduct indicated by these returns is gratifying.

A still more marked decrease in prosecutions for drunkenness is noted from year to year. In the first of the three years named there were 59 cases of drunkenness, in the second, 31 cases, and this year 24. Of these 24 only 6 cases were those of residents. The statistics do not appear as favorably for the inhabitants of the town in respect to prosecutions for other offenses than drunkenness.

The last Legislature passed what is known as a Juvenile Court Act. This makes the Police Court a juvenile court, that is, a court which must take jurisdiction of and deal with cases of juvenile offenders in accordance with the advanced ideas and methods which characterize this legislation. There is not space for elaboration of the provisions of this act in this connection, but they are important and interesting. They deserve careful study by those who are interested in the subject. The Act requires that a separate Court Room be provided for hearing of cases against juvenile offenders; that they be not

confined with adult offenders, and that they be not committed to or confined in places of detention which are made secure by bars and other similar features. Detention of offenders under the new law must be by personal custody of the Probation Officer or his assistance without imprisonment. Very few cases have come before this department of the Littleton Court. Mr. Herbert D. Stevens has been appointed Probation Officer, and Room No. 1 in Chutter Block has been designated as the Court Room for the consideration of cases of juveniles. The session of the Court for this purpose is on the first Monday of each month in the forenoon. The juvenile cases have all been reported to the State Board of Charities, as the law requires,

Respectfully submitted,

A. S. BATCHELLOR,
Justice of the Municipal Court.
